

EQUIPMENT DRY HIRE

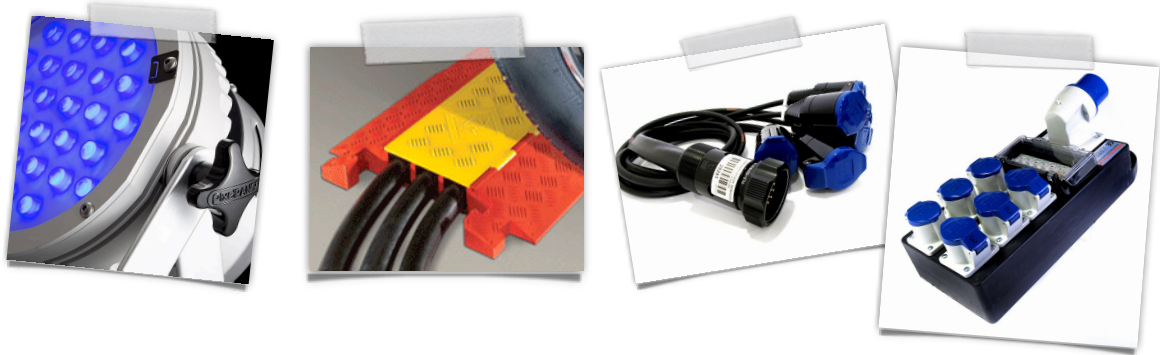

Figure of Eight Events offer a dry hire service to the entertainment industry. The equipment we use is very much fit for purpose and prepared to the highest standards prior to dispatch. We offer a whole host of dry hire services including:

- Cabling from 13A to 600A three phase
- Electrical distribution boards from 13A to 1600A
- Cable protection including standard, alluminum and DDA compliant ramp
- Functional lighting including LED, Halogen and Metal Halide fittings from 70w to 1000w
- Emergency light fittings including twinspace and maintained/non maintained door signs
- Architectural fittings including city colours and high power LED equipment
- Stage lighting including moving lights, generics, dimming and control
- Sound equipment including quality outdoor public address, microphones, playback and control
- Reliable and professional delivery service to UK and Europe

What ever your dry hire enquiry, next time you need some reliable technical equipment, let us show you what we can do.
